

# BUILDING BLOCKS FOR COLLEGE COMPLETION: STUDENT SUCCESS

## THE CHALLENGE

Student success and achievement in higher education are a top priority for colleges and universities, but not enough college students are graduating with degrees.

## CALL TO ACTION

NGLC's Building Blocks for College Completion Program supported innovators across the country in exploring how to scale promising technologies to improve learning outcomes, raise student retention and persistence rates, and increase awareness of performance in real time.

## BY THE NUMBERS October 2010 RFP Issued • March 2011 Awards Made

## GRANT RECIPIENTS

## THE RESULTS

## 7 LESSONS LEARNED

## INNOVATIONS TO WATCH
